

500 DONLON, LASALLE

ABOUT THE PROPERTY

Welcome home to this nicely renovated raised ranch located in a quiet, family neighbourhood in LaSalle! This home features 3+1 bedrooms, 2 baths, modern kitchen with quartz countertops opening up to the rear sun deck with gas line for bbq, concrete patio with gazebo and fenced back yard with storage shed. Fully finished lower level with gorgeous gas fireplace and family room with bar is perfect for game day! This home also includes a 2 car attached garage with finished driveway, central vac and more! Shingles (2019), AC & condenser (2023), Front yard in-ground sprinkler system. Thinking of a mortgage helper? This home features a grade entrance which could potentially allow transformation of the lower level into an income producing ADU suite! Located steps from Victory Park and easy access to Front Rd. And LaSalle's Nautical Mile with its beautiful parks and many fantastic family friendly events!
Traditionally listed, Offers presented as they come!
